

Early Childhood Center SUMMER!

Summer Fun at the ECC

If you are looking for a wonderful, loving and fabulous day camp, come to **Summer Fun at the ECC!** Our summer program for toddlers and incoming 2s, 3s and 4s is the perfect option providing a rich and wonderful camp experience in a fun and nurturing environment. Campers get lots of individual attention as they play, explore, discover and learn. Activities include arts & crafts, sports, music, movement and more! There are weekly Shabbat celebrations and plenty of water play to stay cool in the warm summer sun. The enthusiasm and joy of the day are truly contagious and your child will come home with lasting memories.

Just for Toddlers, 2s, 3s and 4s.

Not ready for “big kid camp” yet? Can’t imagine your young one mixed in with older elementary school children? Our program is designed to work exclusively with our youngest learners!

Staffed by the same warm and energetic Early Childhood educators as our school year programs, camp offers a seamless transition to the next stage of your child’s education. Each group is also supported by CITs from within the community, bringing the average staff to child ratio to 1:3.

If everyone is comfortable, the Head Counselor, in conjunction with parents, will determine best separation plan for campers after the first week of camp. If camper has already separated elsewhere, the determination regarding whether or not an adult must remain on premises will be made after the first day of camp.
